

HERITAGE WEEK

February 15-21 2016

**DISTINCTIVE
DESTINATIONS:
EXPERIENCE
HISTORIC
PLACES**

DISTINCTIVE (adjective): having a special quality, style, attractiveness; notable.

DESTINATION (noun): the place to which a person travels or is sent.

British Columbia's Distinctive Destinations are as varied and abundant as the province. For this year's poster, Heritage BC invited British Columbians to submit images of the places they love to visit and that attract visitors from near and far.

Lower level of the interior of Mine 3, National Historic Site and ore processing building for the former Britannia Mine, now home to the Britannia Mine Museum.
